**Background/Supporting Information:**

This claim arises out of a motor vehicle accident that occurred on September 29, 2011, when Mr. Hansen was struck by a City of Minneapolis Police squad.

Both of the involved vehicles sustained moderate damage. Mr. Hansen sustained injuries and incurred in excess of \$22,284.19 in treatment expenses. He continues to suffer difficulties as a result of his injuries.

Following extensive negotiations with his attorney, we have reached a tentative settlement of Mr. Hansen's claim against the City in the amount of \$12,000.00. This proposed settlement has been discussed with the Police Department and they are in agreement with the terms. We believe that the settlement is in the best interests of the City and recommend approval by this Committee.
