Background/Analysis:

ClearCorps USA, Inc. was selected through a competitive process in 2012 to conduct lead and healthy homes outreach, education, in-home visit, and referral to remediation services. The focus is on Minneapolis populations at most risk for harm, including low-income populations, participants in public assistance programs, and those populations shown to have health disparities. Services provided are funded through federal HUD funds.

Financial Review:

No additional appropriation required, amount included in current budget.

- Future budget impact anticipated.**
- Approved by the Permanent Review Committee.**
- Meets Small and Underutilized Business Program goals.**
