The Partnership Group was established to study the impact of policy proposals related to workplace regulations on earned sick time and paid time off, including regional and cross-jurisdictional implications of such policy proposals. The Partnership Group is to engage the community in the development of its recommended policy proposals through focus groups, listening sessions, and similar practices and may consult subject-matter experts in the course of its study. The Partnership Group is to report its final policy proposals on earned sick time and paid time off to the Committee of the Whole by no later than February 24, 2016.
