Comments:

I am opposed to Juba
Cafe extending their hours for
the following reasons:

- 1) Excessive noise which we
already experience such as:
loud talking, shouting, parking
issues, car alarms and lettering
- 2) These disruptions last till long
after closing
- 3) We have complained many
times regarding these problems

Mr. Buenning,

The Lake Street Council supports the application of Asisa Ibrahim of Juba Coffee at 2921 E. Lake St. for and Extended Hours license.

This extension will allow Asisa to meet the needs of her business by staying open later, particularly on holidays. The additional income will allow her to make improvements to the business.

Asisa has been a good neighbor, and the neighborhood council does not have significant concerns about the request.

Thank you for your consideration,

Allison Sharkey

Subject: Juba Cafe Extended Hours Application

Hello Greg,

Juba Café met with our Neighborhood Development Committee last Tuesday. Rich Thomasgard contacted our organization in early December in regards to their application. Unfortunately our committee does not meet in December and there was not sufficient time in January to follow due process for letters of support (the board of directors meet after Juba's hearing on the 19th). The committee was appreciative of Asisa Ibrahim and Rich Thomasgard for attending the meeting. The committee had no major objections to extended hours application, but is unable to formally support them.

Thanks,
Joe Sturm
