

City of Minneapolis
Request for Committee Action

To: Transportation & Public Works
Date: 2/2/2016
Referral: Ways & Means
From: Public Works Department
Prepared by: Andrew Carlson, Transportation Maintenance and Repair
Presented by: Andrew Carlson, Transportation Maintenance and Repair
File type: Resolution
Subcategory: Grant

Subject:

Acceptance of Hennepin County Public Space Recycling Grant

Description:

Passage of Resolution accepting a Hennepin County Public Space Recycling Grant for \$31,500 for the Uptown and Eat Street Special Service Districts to purchase public sidewalk recycling containers.

Previous Actions:

None

Ward/Address:

Not Applicable

Background/Analysis:

Public Works submitted an application to Hennepin County for their 2015 Public Space Recycling Grant Program. The grant request was to fund the purchase of new public space recycling containers in the Uptown and Eat Street Special Service Districts (SSDs). The grant request was approved at the December 1, 2015 Hennepin County Board meeting. By accepting this grant, the Uptown and Eat Street Special Service Districts will include public space recycling within their districts as part of their streetscape maintenance services starting this summer 2016. The SSDs will service the containers once installed. The recycling containers to be purchased with the grant funds will comply with the City's One-Sort Recycling program guidelines and provide additional opportunities to recycle when away from home. Both of these results will help increase waste diversion and support City goals.

Financial Review:

No additional appropriation required, amount included in current budget.
