Description:

Authorizing a temporary Crane Encroachment License Agreement with M. A. Mortenson Company to assist with the Westminster Presbyterian Church campus renovation project.

Previous Actions:

None

Ward/Address:

Ward 7
1301 Second Avenue South, Minneapolis, MN 55403

Background/Analysis:

Westminster Presbyterian Church is undergoing a major construction project. The construction company hired by Westminster, M. A. Mortenson Company, will be using a large tower crane to do some of the work. The tower crane radius will cause the equipment to be above a small portion of the Tallmadge building which is owned by the City and operated by the Minneapolis Convention Center. The City Attorney has reviewed the Temporary Crane Encroachment License Agreement to make sure that the project has sufficient responsibilities for safety and disruption avoidance.

Financial Review:

No financial impact.
