Background/Analysis:

Pursuant to approval from the Permanent Review Committee, Regulatory Services is requesting to increase this contract by \$80,000 for a new not-to-exceed total of \$130,000 and to extend the term of the contract. Blue Sky provides in-kind veterinary care for Minneapolis Animal Care and Control in exchange for lease payments. Minneapolis Animal Care and Control contracts with Blue Sky for veterinary services that exceed the value of in-kind services. This request for extension is made to get both contracts on the same schedule.
