Hi Janelle,

My name is Martine Smaller and I am the new Executive Director of the Northside Residents Redevelopment Council (NRRC). In regards to the proposal to put a used car dealership at 2636-2638 Broadway, NRRC would like to express strong support of the West Broadway Alive Development Plan and requests that the Planning Commission follow that plan when reviewing the aforementioned proposal.

Please let me know if you have any questions.

Thank you.

Best,

Martine
