To Whom it May Concern:

On April 5th, Mike Finkelstein spoke to the Stevens Square Community Organization in regards to the plans for 1901-1911 Nicollet Avenue. He shared the request to turn the two buildings into one plat.

During the meeting many questions were asked about the future of the buildings, current tenants and how said plans would improve this area of Nicollet Avenue.

After an hour of discussion a motion was made to support this action; it passed unanimously and without any abstentions. Therefore, we request the City of Minneapolis, Zoning department and the City Council approve this action.

If I can be of any assistance please do not hesitate to contact me.
