Description:

Authorizing the approval of the request for a Special Boulevard Permit.

Previous Actions:

None

Ward/Address:

Ward 7
712 Ontario Avenue

Background/Analysis:

The applicant would like to pave the boulevard with permeable pavers at Sisyphus Brewery located at 712 Ontario Avenue. The work is limited to the boulevard on the west side of their building where the entrance is located. The applicant has further stated that they believe paving the boulevard will enhance the patron/resident experience. The boulevard is now bare and often muddy because grass has not grown there for several years, and it is difficult to maintain due to increased foot traffic near the building entrance.

The applicant has worked with Public Works to comply with Ordinance 472.10. – Boulevards. It is recommended that this Special Boulevard Permit be approved.
