CITY CLERK  
DEPARTMENT

Chair Clegg,

With this letter, the Committee for Professional Policing submits a citizen's petition to place an Amendment to the Minneapolis City Charter on the November 8, 2016 ballot. The petition is being submitted this day in person at City Hall to City Clerk Casey Carl. We are proposing an amendment to the City Charter that would require police officers to maintain professional liability insurance coverage while employed by the city.

We are submitting 1,526 petition pages, assembled and filed as one instrument, in accordance with the process set forward in MN Statute 410.12 and MN Rules Chapter 8205. We believe this petition to contain the signatures of over 8,700 Minneapolis registered voters.

The appropriate contact for all matters relating to the verification and processing of this petition is:

We look forward to working with the Charter Commission and the City Clerk's Office in any way we can, to assure a timely and fair process that honors the desire of the voters who signed this petition, and to allow Minneapolis voters to express their opinion of this Amendment at the polls this coming November. Thank you to all of you for your service, and for the work you do to assure that change can come through democratic processes.

Sincerely,

Dave Bicking, Chair  
Committee for Professional Policing
