Subject:

Fire Truck Donation to the Firefighters Hall & Museum

Description:

Passage of Resolution authorizing donation of 1998 Freightliner Pumper Truck Unit #71470 to the Bill and Bonnie Daniels Firefighters Hall & Museum.

Previous Actions:

July 17, 2009 – Approval of donation of a 1988 International Pumper fire truck to the Firefighters Hall and Museum.

Ward/Address:

Ward 1
662 22nd Avenue NE Minneapolis MN

Background/Analysis:

In July 2016, the Bill and Bonnie Daniels Firefighters Hall & Museum requested the next available surplus fire truck for community outreach and visitors of the museum. The museum meets the requirements of the City's "public purpose doctrine" in the policy and procedures associated with the Surplus Property Donation Ordinance.

The Fleet division has a 1998 Freightliner - Unit 71470 that was advertised for sale from 8/12/16-8/29/16 and received no bids. The average price for the last five Fire Trucks that have attempted to be sold was \$2,824 with average net proceeds of \$1,625 after fees. This Fire Truck request to donate to the Fire Fighters Hall & Museum would also fall in this range with an estimated value of \$2,000.00.

Financial Review:

No financial impact.
