Background/Analysis:

Annually the City of Minneapolis, led by staff from the Minneapolis Health Department, produces "Results Minneapolis - Youth Violence Prevention" (Results Minneapolis YVP report). The Results Minneapolis YVP report reviews information related to juvenile and youth crime and victimization and violence prevention efforts. This presentation will provide an overview of the 2016 Results Minneapolis YVP report, which includes data through the end of 2015. In addition, this presentation will provide some preliminary information related to youth victimization and perpetration in 2016.

Financial Review:

No financial impact.
