Designate new segment of 25th Ave. SE from 4th St. SE to Granary Road. Designate new segment of Granary Road from Malcolm St. SE to E. City Limits. The designations of these two segments will replace the revocations of Oak St. SE, Huron Blvd. SE and 42nd Ave. S. that are being proposed. This will allow us to maintain our maximum system mileage.

Remove Huron Blvd. from Washington Ave. SE to University Ave. SE, segment will no longer exist when U of M construction is done this summer.
