

Boulevard and sidewalk standards

Staff direction

Here is the staff direction. Previous to the motion, he indicated it was a disagreement over the jurisdiction of this topic betw PW and Planning, and Director Sporlein suggested maybe the One Stop Shop could resolve this issue re width of sidewalks and boulevard standards through site plan review.

Good Luck, Jackie

Boulevard and Sidewalk Standards:

Action Taken: Director of Inspections directed to report back to Committee at the next meeting with a plan to address inconsistencies with boulevard and sidewalk standards through the plan development review process.
