Appropriation issues are addressed separately by the dept. The purchasing letter only addresses acceptance of the low responsive bidder. You should do a letter requesting approp. Increase and we will do letter for acceptance of the bidder. Thanks.

Peggy,

We are recommending that the department accept the low bid from Egan for OP 7175. However, it looks as if we will need to increase the appropriation for this project. Is this something that Purchasing can do in the council letter when accepting the bids or should Traffic and Parking Services write a letter to council to increase the appropriation and to accept the low bid?

Marvin and Eddie,

The Contractor has stated they will meet the State Aid's DBE goals for the project. City staff will follow State Aid's Delegated Contract Process in regards to tracking and monitoring DBE requirements.
