The MPD has been utilizing State COPS Grant Funds for the last 4 years to provide and additional uniformed officer presence via patrols in high crime areas (requirement of the grant). The original grant of \$125,000 was passed through council in July 2001. The current legislature has decreased the amount of the award to \$62,500. No funding match (cost to the city) is required.

Council resolution and publication in Financial Times needed to sign revised contracts.
