- Explosives
- Garbage (food waste, furniture, carpet, lumber, etc.)
- Medical or infectious wastes
- Motor oil, oil filters
- Tires
- Radioactive waste (e.g., smoke detectors)
- Recyclables (scrap metal, paper, cardboard, etc.)

Instructions

- Make sure containers are not leaking
- Place wastes upright in a plastic-lined cardboard box
- Place incompatible wastes in different boxes
- Secure wastes so they do not spill
- Containers must be five gallons or smaller
- Do not tape lamps together
- Identify wastes that are not in the original container or if the label is gone

The materials listed are accepted from households only. Businesses must manage their hazardous and problem wastes separately (call 612-348-3777).
