**Kim's Dog Kair  
Kimberly M. Kenitz  
3759 Fremont Ave. N.  
Minneapolis, MN 55412**

**Your Pet License renewal # L066-50020, if granted, will be based on the following conditions:**

- 1) No boarding of animals overnight will occur unless a CUP is granted and all zoning requirements are met. Currently no animals may be kenneled at any time.
- 2) Existing fencing must comply with the conditions set forth by the Zoning Department and must be maintained such that dogs will have no access to those on the public sidewalk (all maintenance must be performed in a professional manner)
- 3) Must remain current on licensing of all animals and obtain and maintain a multiple animal permit (or reduce to three or less). This permit shall not include or pertain to "business" animals from the grooming shop.
- 4) Will allow inspections twice per year, or as needed
- 5) Will cooperate fully if complaints are received.

I agree to operate the above listed business within the conditions specified above, and all of the applicable laws of the City of Minneapolis, State of Minnesota, and the Federal Government. I further understand that non-compliance with the aforementioned conditions or laws may result in adverse action to revoke, suspend, or deny renewal of my Minneapolis business licenses.
