Changes are reflected in the attached polling place list. The attachment also includes a list of polling places where physical location has not changed, but where building names or building addresses have changed.

With the opening of the new downtown library, three community libraries are once again able to accommodate our voters and we appreciate their cooperation.

### Help America Vote Act Compliance Update

As a matter of information to the council, the Elections Department has received our first shipment of new voting equipment required by the Federal Help America Vote Act. The equipment is a ballot marking device which enables persons with disabilities to vote independently. Elections Department staff will be conducting public education sessions over the next few months to familiarize our residents with the equipment. Please contact me if you would like additional information about this or any other elections related matter.
