Subject: Amendments to the Minneapolis Code of Ordinances relating to alcohol establishments and outdoor areas.

The Regulatory, Energy and Environment Committee of the Minneapolis City Council will consider amendments to Chapter 360.100 of the Minneapolis Code of Ordinances which regulates outdoor areas in on-sale liquor, wine, and beer establishments.

These amendments, if adopted, will require license holders to specify the maximum customer capacity in outdoor areas, including sidewalk cafes, at establishments with beverage alcohol licenses. Additionally, the City Council may impose reasonable standards to control nuisance activities such as excessive noise, operating hours, and loitering, for example.

There are two opportunities to learn more about these amendments. The first will be at the LINC meeting at 2 p.m. on Tuesday, May 17, 2011. A second informational meeting will be held at 2 p.m. on Wednesday, May 25, 2011. Both meetings will be held in the Pohlad Room at the Downtown Central Library, 300 Nicollet Mall, Minneapolis, MN 55401.

The proposed amendment and updated staff report will be available on our website at www.ci.minneapolis.mn.us/business-licensing.
