Dear Jon:

On March 23, 2010, the Transit for Livable Communities Board of Directors designated \$75,000 for a bicycle parking program. These funds are awarded to the City of Minneapolis as our fiscal agent, to administer purchase of bike parking for locally eligible Nonmotorized Pilot program jurisdictions under the direction of Bike Walk Twin Cities (BWTC).

A previous letter was transmitted July 1, 2010 to this effect. Please disregard the previous letter and replace with this notification. Bike Walk Twin Cities staff will work with you and the City to expedite the implementation of this award.

Thank you for your cooperation and partnership in bringing this program to fruition.

Sincerely,

Barb Thoman
