- Request provided to department's finance contact when provided to the Committee Coordinator.

Community Impact: Other

Background/Supporting Information:

This matter and subsequent claim arise out of a motor vehicle accident that occurred on September 15, 2009. At that time and place, Mr. Booker was riding in the rear passenger side seat of a stopped vehicle traveling west on 44th Avenue at or near the intersection with University Avenue when the vehicle was struck by a City of Minneapolis Public Works truck.

As a result of the crash, Mr. Booker sustained injuries and incurred in excess of \$4,882.47 in treatment expenses. He continues to suffer difficulties as a result of his injuries.

Following negotiations with Mr. Booker, we have reached a tentative settlement of his personal injury claim against the City in the amount of \$2,000.00. This proposed settlement has been discussed with the Public Works Department and they are in agreement with the terms. We believe that the settlement is in the best interests of the City and recommend approval by this Committee.
