Dear Gary,

Please recommend to the City Council acceptance of the low responsive bidder meeting specification, SOS Office Furniture for purchase of City standard seating (Global). Public Works Property Services is recommending SOS be awarded the bid for a total of 50,000 dollars annually using the official Publication 6615.

Another bidder, Commercial Furniture Services bid a lower price on the Global chair but did not bid fixed pricing therefore making a price comparison impossible. They CFS also bid differing terms and conditions in contradiction to the city specifications making their bid non-responsive.

Please recommend to the City Council acceptance of the low bidder meeting specification, S&T Office Products for purchase of a second City standard seating (Harter). Official Publication 6615, for a total estimated annual expenditure of 50,000 dollars annually.

Sincerely,

Dan Hoff
