Such committee may recommend terms and conditions necessary in its judgment to protect the public peace, health and safety, including, but not limited to, limiting the portion of the street or alley that may be used for the event, the hours thereof, payment for the cost of rerouting bus and or other traffic, restricting the time allowed for cleanup after the event, manner and place restrictions on the sale of alcoholic beverages, restrictions on the location and use of loudspeakers, and the type and number of blockades or warning devices that are to be provided for the safety of motorists and persons participating in the large block event.

(d) Approval by City Council. The recommendations of the committee reviewing the large block event permit application will be forwarded for action to the appropriate city council committee which shall make its recommendations concerning the application to the full city council. The city council may accept, reject, or modify the recommendations. (e) Review of late application. If the director of regulatory services denies a waiver of the time limit for the application, the city council may review the showing of extreme hardship set forth by the applicant, and if satisfied extreme hardship has been shown, grant a waiver of the time limit.

455.25. Conditions of application. An application for a block event shall be executed by the applicant, or applicants, who shall each therein certify:

(a) That in the case of a residential block event the applicant's residence abuts the portion of the street wherein the event is to be held.

For business, large block event, or other non-residential block event applications, the documentation must contain seventy-five (75) percent of the households and business owners or other authorized representatives on the block or blocks that abut the block event. An applicant must also affirm that the information provided with the application has met the above-stated requirements.

If the applicant neglects or fails to cleanup within the three-hour period immediately following the end of the block event, or within the time limit set forth in a large block event permit, or if cleanup is done in an inadequate manner, the director of public works is authorized to do the cleanup and the applicant shall be charged for said cost.

- (g) The applicant will maintain adult supervision of such block event at all times.
- (h) The applicant will be responsible for the placement, maintenance and removal of block event barricades, which in the case of a business district block event shall be provided by the applicant at the applicant's own expense. - (i) The block event is in no way a commercial promotion or activity and the overall purpose of the permit shall be to enhance the stated purpose of the applicant organization and no private organizer or promoter shall derive excessive profits from the event. The city may require presentment of the permit holder's books of account to aid in the determination of compliance with this section.

The policy shall cover all liability imposed by section 340A1, Minnesota Statutes. In the case of property owned or controlled by the City of Minneapolis, the city shall be listed as an additional insured.
  - (5) The applicant provides a security plan for the event which is approved by the director of licenses and consumer services and the police license inspector.
- (k) ~~In the case of a residential block event, the applicant agrees not to obtain a permit for the use of sound amplifying equipment if play or allow to be played any music or other sound produced by amplifying equipment for more than a total of three (3) hours. A permit may be granted for additional hours.~~ (82-Or-239, § 2, 11-24-82; 83-Or-128, § 1, 5-27-83; 83-Or-153, § 1, 6-24-83; 83-Or-225, § 1, 9-9-83; 91-Or-136, § 2, 7-12-91; 94-Or-031, § 4, 4-1-94; 94-Or-048, § 1, 4-29-94; 96-Or-049, § 2, 6-7-96; 2003-Or-061, § 4, 6-6-03; 2004-Or-039, § 4, 4-16-04; 2004-Or-131, § 2, 11-5-04)

455.30. Basis for denial. An application for a block event permit may be denied only if:

- (a) The application does not comply with applicable requirements of this chapter.
- (b) The place where the block event is to be held is considered a major thoroughfare generally including snow emergency routes, arterial streets, state and county highways,

bus routes and streets controlled by semaphores unless traffic flow can be reasonably accommodated on adjacent streets.

(c) The place where the block event is to be held is under construction or is scheduled to be under construction on the date when the block event is to be held.

(d) The place where the block event is to be held is partially barricaded because of construction on the abutting property and the construction interferes with normal traffic flow or is a safety hazard or if the location is on a detour route for either a construction project or other scheduled event such as a race, parade, etc.

(e) The place where the block event is to be held is in such close proximity to a hospital or fire station as to unduly interfere with the quietude of patients, or the movement of ambulances or fire-fighting equipment.

(f) The applicant, or organization on whose behalf the application is made, has within the previous eighteen (18) months violated the provisions of this chapter.

(g) The block event would conflict with a prior scheduled event within four (4) blocks so as to substantially interrupt the safe and orderly movement of traffic.

(h) The block event would interfere with emergency activities or maintenance operations such as snow removal or street sweeping.

(i) There is a clear and convincing showing by an abutting business that such block event would create an undue financial hardship upon it.

(j) There have been three (3) or more prior block events on such block within the calendar year.

(k) The block event is scheduled to take place within one (1) block of a polling place during the hours of voting.

(l) The block event would constitute a commercial promotion or activity.

(m) There has been a total of at least three (3) incidents, in two (2) prior consecutive block events, as shown by a preponderance of the evidence, held within five (5) years prior to the date of the proposed block event by the applicant or the organization on whose behalf the application is made, involving any of the following, as defined by state law and/or city ordinance:

(1) Assault or indecent or disorderly conduct.

(2) The illegal sale or distribution of alcoholic beverages.

(3) The illegal sale or distribution of food.

(4) A violation pertaining to noise, including the failure to obtain a permit for the use of sound amplifying equipment.

(5) A violation of any provision of this chapter.

(n) The location and dates of the proposed block event would interfere with another event that has been previously held on or about the same dates in the previous year, even if a permit has not yet been applied for or approved for the other event, where there is reason to believe the other event will be held again; or

(o) If more than one (1) application is received for proposed block events to be held on the same date(s), including rain days, in the same location or within four (4) blocks of each other, then any of the applications may be denied based on the following considerations:

(1) Whether an applicant has previously received a permit for the same event or event dates (i.e. a recurring event).

- (2) Whether an applicant has received or intends to seek other permits for block events in the area within one (1) year before or after the date of the proposed event.
- (3) Whether one (1) of the applications was approved prior to receipt of the second application for a block event permit for the same location and day(s).
- (p) The block event would unduly restrict pedestrian and vehicular traffic to an abutting business or property.
- (q) The block event would unduly deny access to private property. (82-Or-239, § 2, 11-24-82; 94-Or-031, § 5, 4-1-94; 2003-Or-061, § 5, 6-6-03; 2004-Or-039, § 5, 4-16-04)

455.31. Denial of desired location; rain dates. (a) If the application for a block event permit is denied because the street requested is not acceptable for the proposed event on the date stated in the application, the applicant may transfer the fee from the first application toward that required for a new application which differs from the original application only in that the location of the block event has been changed.

(b) The applicant may obtain a rain date if requested in the application for a block event permit. The rain date must be the next calendar day. Any other request for a rain day shall be treated as a new application for the block event permit. For such alternative date the applicant must submit an additional official application form and payment and provide the information required by this chapter for such applications. The fee from the first date requested by the applicant shall not be applied to such alternative rain date. (2004-Or-039, § 6, 4-16-04)

455.35. Time and place. Subject to the provisions of sections 455.25 and 455.30:

- (a) For business district and large block events the applicant is required to pay all costs for traffic control measures and traffic control personnel required by the public works or police departments. Residential area events may be required to pay those costs.
