Action requires an appropriation increase to the Operating Budget

Action provides increased revenue for appropriation increase

Action requires use of contingency or reserves

Other financial impact (Explain):

Request provided to the Budget Office when provided to the Committee Coordinator

### Background/Supporting Information:

The bids for Construction of Sidewalks, Alleys, Driveways, Curbs and Gutters (Official Publication 6589), were opened March 8<sup>th</sup>, 2006. Bids are awarded to the low bidders in each

of the three sidewalk districts. The low bidder for Sidewalk District One and Sidewalk District Three was Standard Sidewalk, Inc.

Since this contract was awarded, Public Works identified additional sidewalk work needed as part of the 27<sup>th</sup> Avenue South Paving Project.

Therefore, Public Works is asking to amend this contract by increasing the contract dollar limit in order for the sidewalk contractor to be paid for the additional requested sidewalk work. The additional work is within the existing appropriation and is fully reimbursable by:

27<sup>th</sup> Avenue South Paving Project, 9<sup>th</sup> Street South to 27<sup>th</sup> Street South, \$85,279.51.

Payable upon billing to project number 4100-937-9374 PV01500E and project number 4100-937-9374 PV015LCE.

**TP&W & W&M/Budget** – Your Committee recommends passage of the attached resolution that:

- 1) Amends and increases contract C-23238 with Standard Sidewalk, Inc., by \$85,279.51, payable and reimbursable from project funds, in order to be paid for work performed on the 27<sup>th</sup> Avenue South Street Paving Project.

**Colvin Roy & Johnson**

**Amending the Construction of Sidewalks, Alleys, Driveways, Curbs and Gutters Contract C-23238, OP #6589,**

Resolved by the City Council of the City of Minneapolis:

To increase the contract with Standard Sidewalk, Inc., C-23238, OP #6589, in the amount of \$85,279.51.
