## **Background/Supporting Information**

The cost to acquire and remove severely deteriorated housing far exceeds what can be recovered by selling the land for new development. With diminishing federal and state resources for these types of activities, the City is limited in the total number of properties it can treat. The Housing Replacement District provides an invaluable tool and added mechanism for financing part of the cost of acquiring and removing substandard housing.

In order to facilitate the redevelopment of blighted properties, the Housing Replacement District II has been created. The sole objective is to facilitate the acquisition, site preparation and disposition of parcels currently containing either undeveloped land, or vacant or substandard houses for purposes of their rehabilitation or redevelopment as market rate housing.

The subject parcels to be added to the district include two (2) vacant lots and one (1) vacant and blighted single family home. The two vacant lots are being acquired by CPED from Hennepin County and the vacant structure was acquired from a private individual.

The vacant parcels are located at 2641 Emerson Avenue North in the Jordan neighborhood and 2615 Thomas Avenue North in the Willard-Hay neighborhood. The vacant structure is located at 1518 Morgan Avenue North in the Willard-Hay neighborhood. These properties will be redeveloped as market-rate, owner-occupied housing. The vacant structure will be renovated through CPED's Home Ownership Works program.

These three (3) parcels will be included in the Minneapolis Housing Replacement Tax Increment Financing District II as allowed for by the Housing Replacement District Plan approved by the City Council by Resolution 2003R-386 on August 22, 2003.

Parcels to be added to the District:

<b><u>PIN Number</u></b>	<b><u>Address</u></b>
09-029-24-43-0062	2641 Emerson Avenue North
08-029-24-43-0012	2615 Thomas Avenue North
16-029-24-33-0096	1518 Morgan Avenue North

The following parcels will be deleted from the district as CPED staff has determined that either acquisition is unlikely and/or redevelopment is unfeasible:

<b><u>PIN Number</u></b>	<b><u>Address</u></b>
09-029-24-44-0118	2815 Bryant Avenue North
15-029-24-22-0046	623 24 <sup>th</sup> Avenue North

With the deletion of these two (2) parcels and the addition of the above three (3) parcels, there are now 30 parcels in the Minneapolis Housing Replacement Tax Increment Financing District II. The maximum number of parcels that can be placed in the District is 100.

**Adopting the Addition to and Deletion from the Housing Replacement  
District II of the Below Stated Parcels**
