Financial Impact (Check tho	se that apply)
X_ Action requires an appropria	tion increase to the Capital Budget or <u>X</u> Operating Budget.
X Action provides increased re	venue for appropriation increase.

Background/Supporting Information Attached

The Minnesota Department of Health received federal Recovery Act funds to increase the rate of immunizations for adolescents and adults. As a subrecipient of these funds, the department will expand its immunization efforts in its six School Based Clinic sites to provide catch-up vaccinations for students who have not previously been eligible for these services under the Minnesota Vaccine for Children program.
