Gentlemen:

We are in receipt of your “Notice of Public Hearing 2006 Special Services & Service Charges for Nicollet Ave S. Special Service District.

We are the owners/taxpayers of the parcel with PID 27-029-24-31-0071 doing business as Jerusalem Restaurant and located at 1518 Nicollet Ave.

This letter is a written protest against the charge assigned to us under this proposal. We feel this is an excessive charge that would be added to our taxes and would not benefit our business at all

Yours truly,

Robert C. Blumberg
