No financial impact - or - Action is within current department budget.
(If checked, go directly to Background/Supporting Information)

Background/Supporting Information Attached

The presentation will describe the SHAPE (Survey of the Health of Adults, the Population, and the Environment) 2002 survey project and highlight some of the results for selected Minneapolis communities defined by sociodemographic or geographic characteristics. The presentation will inform committee members about the scope of the data available citywide, at the community level, and for specific constituencies, such as seniors or racial/ethnic/cultural groups.
