Background/Supporting Information

Dear Council Members:

In May of this year the Council approved an application to the State of Minnesota Department of Health for up to \$25,000 to local boards of health for provision of temporary lead-safe housing and relocation costs for families displaced by lead hazard reduction in their primary residence and on June 28 we were awarded \$7,500. We are requesting that the appropriate officials be authorized to proceed with the execution of this grant.
