- Action provides increased revenue for appropriation increase
- Action requires use of contingency or reserves
- Business Plan: Action is within the plan. Action requires a change to plan.
- Other financial impact (Explain):
- Request provided to department's Finance Dept. contact when provided to the Committee Coordinator

Background/Supporting Information:

A Public Hearing was set for September 26, 2006, and was re-set for October 24, 2006 because of additional work needed to properly notify parties and prepare documents.

Unfortunately the status on October 24 remains the same as September 26, and there is still additional work needed. Public Works will return at a later date to request setting a date for another Public Hearing.
