3 CRT has received ongoing complaints on 1539 26 St E, Minneapolis, and have executed a prior narcotics search warrant at this address on two prior occasions. During the last investigation, officers recovered gram quantities of cocaine from Recardo Daryl Meeks, DOB 05-07-1984, also known by the street name "pac man", and Donald Joseph Meeks, 12-21-1981, also known by the street name "d mac". Officers also determined that both were members of a street gang known as MAKK MOB. Officers also learned that Jermaine Corwin Rogers, 06-24-1982, was involved in the distribution of cocaine from this address and was an associate of both Recardo and Donald Meeks. Further info from a confidential informant was that another person known as "kill bill", described as a male, black, approx. 20 years old, was distributing cocaine from 1539 E 26 St, since the arrest of Recardo Meeks. I have received information from an informant that members of this street gang are known to carry firearms while distributing narcotics in the area of 27th St E/Bloomington Ave S area, which receives numerous narcotics complaints.
On 05-24-06, officers learned that a shooting had occurred in the morning hours, in the area of 27th/Bloomington, and that Donald Meeks and Jermain Rogers were the victims of gunshot wounds. At approximately 1045 hours, myself and officers of the 3 PCT CRT, which is tasked with the investigation of street level narcotics crimes in 3rd PCT, traveled to 1539 26 St E, to conduct a knock and talk with occupants of this address. I knocked on the front door and was met by a female, who was previously id'd as Ap/1 [redacted] and known to be a resident at the apartment with her grandmother Pauline Mitchell. I spoke with [redacted] who verbally identified herself to me as Tony Sullivan. As I spoke with her, I smelled the strong odor marijuana coming from the inside of the apartment. Ashley advised me that she was home with her aunt and others and that her grandmother Pauline Mitchell was not home. At this time, I observed Pauline Mitchell arrive home and I met with her on the front steps. It should be noted that I was wearing plain clothes at this time and that uniformed officer Suker was present at this time. I explained to her the narcotics complaints regarding her apartment and the smell of marijuana odor currently inside her residence. I explained to her that I would like to search her residence for evidence of narcotics and guns. She explained that she had no knowledge of this and I explained that I believed that her granddaughter and her associates were using her apartment to distribute narcotics when she was absent from the address.
During my conversation with Pauline Mitchell, she agreed to let officers search her residence and I provided her a consent to search form, which she read. I further explained that she had the right to refuse officers consent. Officer Suker and I witnessed Pauline Mitchell sign this form. I then advised officers and Sgt Peterson that we had consent to search 1539 26 St E. Pauline and I then entered the apartment. In the apartment living room was [redacted] Willie Lee Lambert (id'd by MN ID) DOB 01-05-1985, Andrea Leigh Mitchell, DOB 11-23-1974, and John Daniel Royball, DOB 12-28-1963. I then spoke with the occupants [redacted], who appeared angry and told her grandmother that she should not have given officers consent, stated that she lived at the address and that her bedroom was the north bedroom. Pauline Mitchell stated that hers was the south. Willie Lambert stated that he went by the street name "kill bill" and girlfriend at the address, but was unable to give me a name. Lambert stated that he went by the street name "kill bill" and "Ill Will".
Officers conducted a search of the entire residence. Officer Menter advised me that he had located a handgun in the north bedroom. I observed this to be a black and grey semi-auto, on the floor between the bed mattress and the east wall. At the scene I retained the gun and photos of the gun from Officer Menter, and observed it to be a Lorcin, Model L380, .380 cal serial number 538640, and misc. papers. Officers at the scene were advised and the occupants, with the exception of Pauline Mitchell were handcuffed, and detained for officer safety in the living room area. At this time I believed that this firearm belonged to [redacted] During the previous search warrant, officers had determined this north bedroom to belong to [redacted] and that her boyfriend Recardo Meeks had access to this room. During the warrant, cocaine was recovered by Meeks.
While searching the dining room/living room area, I recovered a rail mount laser sight for a handgun, located in the upper right drawer of a dresser, at the east wall. Also in this drawer was a piece of paper with writing that read "Recardo Meeks paid $700.00 towards April 1st rent" signed by Angilen Borodin (owner). In other drawers of this dresser was a spiral notebook containing suspected gang writings which read "Makk Mafia records", "D MAC", "Kill Bill", and the names [redacted] and Recardo Meeks. I recovered a Uniden walkie talkie, commonly used by street level drug dealers in the distribution of drugs.
I retained a suspected marijuana cigarette from Sgt Peterson.
I conducted a taped interview with Pauline Mitchell. Pauline, explained to me that she lived in the address (1539 E 26 St), for two months. Pauline confirmed that she willingly gave consent and signed a consent search form, for officers to search her apartment. Pauline also confirmed that she stays in the south bedroom and that her granddaughter [redacted]

[redacted] stays in the north bedroom. Pauline stated that she did not have knowledge of the firearm recovered.
I conducted a taped interview with [redacted] who stated that she lived at 2454 Bloomington Av S, had spent the night and was visiting with her fiancé John Royball.
I conducted a taped Miranda interview with [redacted], who I addressed at the scene as [redacted]. She was read her Miranda rights from my Miranda card, she stated she understood her rights and stated that she did not want to speak with me. I concluded the interview.
[redacted] was then transported and booked into HJDC for PC weapons and a warrant by Officer Nelson. I completed a receipt of evidence recovered at the scene, which I left in the living room. Officers secured from the apartment at approx 1200 hours. I reviewed this evidence at the 3rd PCT, which was then retained by Officer Nelson, who agreed to inventory the items, including the handgun.

Case Supplement **Minneapolis Police Department** **CCN: MP-06-135117**

Supplement Number: 3
Author: 005651 - Thomas Peterson **Date Printed:** Jun 8, 2006

Supplement of SGT T.Peterson #005651 on 05/25/2006 12:31
On 05-24-2006, I was assigned to the 3rd Precinct Community Response Team (CRT). The 3rd Precinct CRT Team has received numerous ongoing complaints of suspected narcotics sales from the residences 1539/ 1541 East 26th Street East. During 2006, Officers Nelson and Merten have conducted independent complaint investigations, obtained, and served narcotics search warrants at 1539 East 26th Street. Officers Nelson and Merten warrants were served on 03-15-2006, reported under CCN 06-065,531 and on 04-19-2006, reported under CCN 06-099,983. During these warrants, Officers Nelson and Merten recovered crack cocaine and arrested documented gang members.

On 05-24-2006, in the early morning hours, a shooting occurred in the area of Bloomington Avenue and East 27th Street. The two shooting victims are both known to frequent the residences 1539/ 1541 East 26th Street. Officer Merten had recent information that narcotics and firearms were being stored and sold from this duplex residence, 1539/ 1541 East 26th Street. Officer Merten investigative finds have identified both victims as suspects.

On this date, Officers Lehner, Menter, Merten, Nelson, Nimlos, Directed Patrol Officers Suker and Primozich and I went to the residence 1539/ 1541 East 26th Street. Based on Officers investigative finds, coupled with the recent violent incident, Officers conducted a knock and talk with the residence of the lower unit 1539 East 26th Street. Standing outside on the front steps of the residence, I detected a strong odor consistent with burning marijuana emitting from 1539 East 26th Street. Officer Merten made contact and advised the residents of 1539 East 26th Street of complaints received and was provided with a written consent to search. For further details, refer to Officer Merten report.

During a systematic search of the residence, Officer Merten notified me that a handgun was found in the Northeast bedroom. Officer Merten led me to the bedroom and pulled an inflatable mattress bed away from the wall. I observed a semi-automatic handgun between the mattress and East bedroom wall. This bedroom was identified as [redacted]. The defendant is a juvenile and prohibited by age of possessing a handgun and was booked JDC. I witnessed Officer Merten attempt to conduct a taped interview with AP/ Mitchell who was advised of her rights. The defendant acknowledged understanding her rights and refused to give a voluntary statement and this interview was concluded. The defendant verbally identified herself as [redacted] and [redacted] and was identified by JDC staff as [redacted] Officer Nelson found [redacted] to have an outstanding A&D warrant for her arrest.

While searching the living room, I observed a hand-rolled cigarette in an ashtray. Based on past experience and training, I inspected this partially burnt cigarette and detected the contents to smell consistent with marijuana. I recovered the suspected marijuana cigarette and turned this evidence over to Officer Merten.

While conducting our on-scene investigation, Officer Nelson and I made contact with the upstairs resident at 1541 East 26th Street. Officer Nelson and I were attired in Minneapolis Police Raid gear. The resident was identified by State picture identification as Timothy Paquette. Concluding our contact with 1539 East 26th Street, Officer Merten advised Timothy Paquette of complaints received and obtained a written consent to search. For further details, refer to CCN 06-135,189.

Supplement of Off C.Nelson #004959 on 05/25/2006 21:26
STATEMENT OF OFFICER C. NELSON #4959 ON 5-24-2006 AT 1440 HOURS
CCN 06-135117

While I was assigned as a member of the Third Precinct Community Response Team (CRT), I was advised by OFFICER MERTEN that he was requesting the assistance of the 3rd Pct CRT team in conducting a knock-and-talk at 1539 26th St E, lower unit. I recognized this address as a problem property. The 3rd Pct CRT had executed two search warrants at this location within the last six months. I was dressed in plainclothes and wearing a raid T-shirt with "Police" on the back and my badge on the front.

Upon arrival, I observed a male come down the stairs from 1541 26th St E (upper) to the landing at the front door. Both units share the same landing. This male was later ID'd as TIMOTHY PAUL PAQUETTE. He stated that he was staying at the upstairs unit and that the regular resident whom he referred to as "Robert Mathison" had just left to run an errand at the bank. He stated that Mathison does not own a car and that he was walking to the bank on Lake St E. PAQUETTE was brought to the downstairs and waited outside. It should be noted that it was nice and sunny outside and he requested to wait outside.

I was advised that the consent to search form was signed by the resident in the lower unit.

I then went into the lower unit and observed three people in the living room. I then began taking biographical (name, DOB, employment) interviews of these individuals. The juvenile female stated that her name was [redacted] and [redacted] with a DOB of [redacted]89. Officers advised her that giving a false name to the police was a crime.

I was advised that I needed to book [redacted] (real name of [redacted]) to JDC for PC weapons. I was also advised that there was another female in the squad car who was arrested for an outstanding warrant CCN 06-135125.

I transported TATE to HCJ for her warrant. I then transported [redacted] to JDC. While I was in the sally-port, I was advised by JDC staff that [redacted] was not the correct name of this person. She stated that her name was [redacted] and nothing else. JDC staff advised me that her real name was [redacted]. I then transported [redacted] to room 316 to get photographed. She was returned to JDC where she was booked for PC weapons and her outstanding A&D warrant.

I property inventoried evidence into the property room.

Supplement of Off D.Menter #004721 on 05/25/2006 22:58

On 05-24-2006 I was requested by Officer Merten to assist with a knock and talk at 1539 East 26th Street, Minneapolis. This is an up/down duplex, with the upper unit having its own address. I have been involved with past narcotics investigations related to this address and during the very late evening hours of 05-23-2006 or very early morning hours of 05-24-2006 there was a double shooting at Bloomington Ave So and 27th Street East. The two victims were regular visitors and at times stayed at the above location. Both victims were also suspects in the distribution of cocaine and other contraband out of this location. I was involved with the execution of a search warrant at this location earlier in the year in which both of the shooting victims was arrested after leaving this address. Because of the recent shooting Officers believed that there me be a connection with the shooting and the possibility of recovering evidence related to the shooting from this location. Because of this information and the ongoing narcotics related information/investigation it was determined to conduct a knock and talk at the above location.

At approximately 1045 ours we arrived at the above location and was met at the front door by a Native American female ID as AP1/Mitchell. After a few minutes the renter of the home arrived, ID as OT2/Pauline Mitchell, and Officer Merten spoke with her. Officer Merten was wearing plain clothes and spoke with OT2/P Mitchell in the company of Officer Suker. I was wearing plain clothes as were the other members of the 3rd PCT CRT unit. After a couple minutes we were told by Officer Merten that he had gotten written consent to search the above location. When we entered the house it had the very strong, distinctive odor of burnt marijuana coming from inside the unit.

I met with Willie Lee Lambert, DOB 01-05-1985, who was lying on an air mattress in the dining room area. Lambert said that he was there to see his girlfriend, even though he couldn't give us the name of his girlfriend.

I went into the North East bedroom, which belonged to AP1/Mitchell. There was a boxspring/mattress lying on the floor against the East wall, evenly spaced between the North and South walls. When I pulled the mattress away from the East wall I located a Lorcin model L380 semi-auto pistol. After taking photographs of the location of the pistol I recovered the pistol, made the gun safe and turned it over to Officer Merten. The serial number on the pistol was 538640. The gun was unloaded and had a magazine inserted.

I assisted with processing the rest of the scene.

Supplement of SGT D.Burbank #000863 on 05/26/2006 12:21

On 05-25-2006, I received this case for the investigation of a Weapons Violation involving a loaded .380 caliber semi auto handgun, that was recovered from Ap01, A. [redacted] bedroom. Ap01, A. [redacted] is a juvenile and not allowed to have or possess handguns. Ap01, A. [redacted] has been arrested for crimes of violence in the past, which further prohibits her from possessing a handgun.

In reviewing the police report, Officer Merten, attempted to interview Ap01, a. [redacted] after reading her, her rights per Miranda. Ap01, A. [redacted] declined to be interviewed.

The incident address is known to officers as a chronic address for the distribution of illegal narcotics and related criminal activities. The house is known to be frequented by gang members and their associates. The arresting officers were at the incident address in an attempt to gather information on a recent shooting that occurred in the area, involving associates to this address (1539 E 26th ST Mpls Mn).

While at the address the officers could smell an odor of marijuana coming from inside the lower apartment unit. The on scene officers met with the primary adult tenant (Ot2, Pauline Mitchell) who leases the apartment. Ot2, Mitchell, gave the arresting officers consent to search her residence and signed a consent to search form: Ap01, A. Mitchell, got upset with Ot2, P. Mitchell, for allowing the police to search her apartment.

During the course of the consent search, Officer. Menter, found a loaded Lorcin .380 handgun under the mattress in Ap01, A. [redacted]s, bedroom. Also found in the bedroom was a laser sight to a handgun.

Ot2, P. Mitchell, stated that she had no knowledge of the handgun or recovered narcotics being in her home.

On the date of this incident, Ap01, A. MItchell, originally identified herself [redacted], DOB, [redacted] and [redacted], DOB, [redacted]. In checking the Juvenile data base and the MPD CAPRS system I found that [redacted] DOB, [redacted] is a real person and uses the alias of [redacted], DOB, [redacted]. This was also verified with the Hennepin County Juvenile Detention Center.

I will be charging Ap01, [redacted], DOB, [redacted] by Complaint/Juvenile Petition, out of custody for the Felony charge of Certain Persons Not to Have Pistols, 624.713, and the Gross-Misdemeanor charge Prohibiting Giving Peace Officer False Name, 609.56 Subd2.

CASE CLOSED BY COMPLAINT/JUVENILE PETITION. (50).

Supplement of CPS D.Greeley #062663 on 04/25/2006 13:29
On 03/15/2006 a search warrant was served at the property 1539-41 26 St. E. (06-065531). A first Conduct on Premise Letter was sent to the owner Angelen Borodin on 03/30/2006. The letter was returned to me unopened after three attempts at delivery. The first attempt at delivery was 04/01/2006.

I had received several complaints from neighbors about the continuing drug activity at the property on 4/10 and 4/11/2006. Complainents said that the drug dealing was continous day and night. I did surveillance on the property and observed the ongoing dealing myself. I forwarded the information I had to 3 Prec. Community Response Team.

On 04/19/2006 a search warrant was served at the property. Narcotics were recovered and multiple arrests were made.

On 04/25/2006 I left a phone message for the owner of the property, Angelen Borodin at (763) 442-9697, asking her to contact me about the ongoing problems at the property.

I'm going to recomend a Second Conduct on Premise Letter be sent.

Supplement of CPS D.Greeley #062663 on 05/01/2006 13:39
On 04/27/2006 a Second Conduct On Premise Letter was mailed to owner Angelen Borodine because of the search warrant done on 4/19/2006 (06- 099983).

I have left phone messages for Borodine since the first Conduct on Premise Letter was sent on March 30th. She left me a voice mail message on 4/26/2006. I've attempted to call her three times since that call and left messages for her. She has not called me back.

I also received a phone call from a neighbor on 05/01/2006 indicating that the drug activity is continuing at the property. I forwarded the voice mail to Lt. Thomas CRT.

On 05/01/2006, I talked with Angelen Borodine by phone. I left a message at (763) 442-9697. She called me back after I paged her as well. I advised her of the problems at her rental property. She stated that she was going to file eviction actions against all of the tenants in the building. She told me that Ricardo Meeks parents were the tenants in the downstairs unit. She claimed that her caretaker was responsible for renting to them. I advised her that as the owner she was ultimately responsible. She asked how she could get documentation about the incidents. I told her that I would send her copies of the first Conduct Letter letter that she never signed for and a public copy of the police report for the second incident.

Supplement of CPS D.Greeley #062663 on 05/16/2006 11:13
05/16/2006
I contacted Janine Atchison 673-3715, Rental Licensing to request a meeting to seek revocation of the rental license for the property. Below is a chronology of events related to the incidents at the property.

1539-41 16 Ave So
Owner: Angelén Borodine
2100 Prairie View Ln.
Buffalo, MN. 55313
(763) 442-9697

Chronology of events:

03/15/2006: 3rd Prec. CRT did a search warrant following two (2) controlled buys of cocaine which tested positive in both cases.

03/30/2006: A First Incident Conduct on Premise letter was sent to the owner of the property by certified mail. This letter was returned to me as undeliverable.

I continued to receive complaints about drug trafficking at the property from residents in the area. I made several attempts to contact the owner by phone without success, leaving messages for her.

04/19/2006: 3rd Prec. CRT did another search warrant. A controlled buy of cocaine powder was done which tested positive. 17.9 grams of cocaine was recovered from the bldg. which tested positive.

04/27/2006: A Second Conduct on Premise letter was sent to the owner by certified mail.

04/26/2007: Borodine left me a voice mail message stating that she had received complaints from neighbors about problems at her property. I left 3 messages for her in an attempt to call her back.

05/01/2006 I left a message Borodine's phone and paged her as well. She called me back following the page. I advised her of the problems at her property. I described the two narcotics incidents that had occurred. I told her that she would be receiving a second conduct letter and explained the rental conduct ordinance and process to her. She told me she had never received the first conduct letter because they apparently attempted to deliver it to her home address. She gave that address as a contact address to the city. She said she was going to tell the tenants to move. She also told me she was planning on leaving the property vacant.
Following our phone conversation, I mailed her copies of the first conduct incident and told her to expect the 2nd letter shortly in a letter.

05/16/2006: I checked the US Postal Service web tracking system. It indicates that the second conduct notice also went unclaimed and will be returned to sender. As of 05/16/2006 she has not contacted me with a management plan for the property. Her statements about acting to resolve the problem by asking the tenants to move occurred after both of the conduct incidents occurred.
