RE: 2211 Bryant Ave N

I met Edward Botsio the new owner of 2211 Bryant Ave N on Friday, On April 25, 2003 for a rental licensing inspection.

Mr. Botsio has been doing minor repairs at the property for about a month and upon inspection I found the property to be up to code for a rental license.

At this time I would like to recommend reinstatement of the rental license that was revoked under the previous owner Howard Gangstad.
