Recommendation: That the City Council accept the appointment of the applicants listed below to the South Hennepin Special Service District Advisory Committee for a two year term expiring on December 31, 2003.

The establishment of a Special Service District Advisory Committee is a required step in the process of setting up a special service district. The Ordinance creating the South Hennepin Service District was passed on May, 5th 2000 when the streetscape project was approved, however, no formal service district advisory committee was formed at that time.

Once the advisory committee meets, staff may return with additions and modifications to the services provided in the South Hennepin district. The South Hennepin Special Service District runs along Hennepin Avenue S. from Franklin Ave. to 28th Street W.
