Financial Impact

None

Community Impact

Supporting Information:

The MPD has prepared an informational briefing which it requests to present to the Public Safety & Regulatory Services Committee. This presentation outlines current internal management practices regarding overtime accrual as well as an analysis of actual historical overtime use, contractual issues, and an examination of how the MPD compares to other police department's nationally in terms of overtime management practices and overtime accrual. It also outlines national best practices for managing overtime within police agencies.
