WITHDRAWAL OF BID DUE TO ERROR

I hereby withdraw the bid we turned in for the Lyndale project that we submitted yesterday in your office, The reason we are withdrawing our bid is due to the error on the number we entered on the bid base that was \$3,700.00 instead of the total we entered into the spread sheet that came with the bid document which was \$95,000.00 (materials and labor cost). We are sorry for the inconveniences this might have cost you.

Please contact us if any question.

Sincerely,

.....

James Ekhaton
