Dear Store Owner/Manager:

Congratulations! On behalf of the residents of the City of Minneapolis, I would like to thank you for your efforts leading to your recent success in passing the alcohol sales compliance check.

On (date of compliance), an underage decoy was sent inside your business in an attempt to purchase alcohol. The decoy was carded by an employee and was unsuccessful in this attempt. Hiring, training, and supervising responsible staff is essential to keeping your business in compliance with the laws and ordinances regulating the sale of alcohol. We appreciate the work you have put into this important part of your business.

Responsible alcohol sales are a respected part of our business community, and your efforts to help keep alcohol out of the hands of youth are appreciated. We will be continuing to use alcohol compliance checks as a tool in our efforts to keep the city of Minneapolis safe. By working together with the business community, we can make a difference. Keep up the good work!
