Background

We are seeking to fill the position of elevator inspector in the Construction Code Services Division with the top candidate for the position, Dwaine J. Culliton. Due to the fact that his level of education, and directly related experience exceeds the minimum requirements for the job, we are seeking approval to offer him 7th step of the elevator inspector pay scale.

To obtain the necessary minimum requirements listed on the job application one must be a highly trained individual with hands on experience.

We believe starting him at Step 7 is a reasonable request.
