Supporting Information

The cost to acquire and remove severely deteriorated housing far exceeds what can be recovered from selling the land for new development. With diminishing federal and state resources for these types of activities, coupled with the increased costs of treating these deteriorating housing units, the city is limited in the total number of properties it can treat. The Housing Replacement District provides an invaluable tool and added mechanism for financing part of the cost of acquiring and removing substandard housing.

In order to facilitate the redevelopment of blighted properties, the Housing Replacement District II was created. The sole objective of the district is to facilitate acquisition, site preparation and disposition of properties currently containing either undeveloped land or vacant/substandard houses for purposes of rehabilitation or redevelopment as market rate housing. Market rate housing is defined as housing that has a market value that does not exceed 150% of the average market value of single family housing in the city.

There will be three parcels added to the Minneapolis Housing Replacement Tax Increment Financing District II as allowed by the Housing Replacement District Plan approved by the Minneapolis City Council through Resolution 2003-386 on August 22, 2003. It is the intent that the parcels being added to the district will be acquired and redeveloped as market-rate, owner-occupied housing units.

Parcels to be added to the District are:

<u>PIN Number</u>	<u>Address</u>
15-029-24-23-0125	2130 Lyndale Avenue North
17-029-24-44-0208	1352 Thomas Avenue North
17-029-24-44-0162	1411 Sheridan Avenue North

Staff determined that acquisition of the following parcels is unlikely and/or redevelopment is unfeasible, therefore, they will be deleted from the District.

Parcels to be deleted from the District are:

<u>PIN NUMBER</u>	<u>ADDRESS</u>
16-029-24-21-0197	1426 25 th Avenue North
03-028-24-44-0013	415 East 36 th Street
03-028-24-41-0076	3512 Clinton Avenue South

With the addition of the three parcels and the deletion of the three parcels, there will be 100 parcels in the Minneapolis Housing Replacement Tax Increment Financing District II.
