| YIELD SIGNS                    |                                    |                                    |                                    |                                    |
| ONE WAY STREETS                | 5                                  |                                    | 2                                  | 1                                  |
| STREET NAME SIGNS              | 6                                  |                                    |                                    |                                    |
| <b>TOTAL</b>                   | <b>150</b>                         | <b>97</b>                          | <b>79</b>                          | <b>118</b>                         |

- Loading zone changes include valet and short-term time limit zones. These are mostly customer requested changes evenly distributed between new installs, modifications and removals
- Stop signs activities reflect Public Works on-going efforts to examine all “uncontrolled” intersections to determine appropriate traffic control
- Traffic activities were similar to prior quarters except “2005” 2<sup>nd</sup> and 3<sup>rd</sup> quarters where changes reflect the Heritage Park development of the new street system

**TRANSPORTATION & PUBLIC WORKS COMMITTEE MEETING**

**April 18, 2006**

**(January, February and March)**
