The new owner of 1008 21 Avenue North, Trisha Siwek, met with CPS Etzioni and I to review her management plan for this property. We reviewed the details of this plan and all appears satisfactory.

Therefore CCP/SAFE does not oppose Ms. Siwek from being granted a rental license for this property.

Please feel free to call me at 673-2852 if you need any additional information.

Officer Steve Manhood
