Background/Supporting Information

The traffic zones, restrictions, and controls for the first phase of the Heritage Park (Near Northside) development have been determined and are listed below. The previous street

system traffic zones, restrictions, and controls need to be removed and the new street system traffic zones, restrictions, and controls need to be installed. Maps of the previous and new street systems for Phase 1 Heritage Park are enclosed.

The Unnamed Street B was referred back to the TPW Committee from the July 26, 2002 City Council meeting. As such the street name signs for this street will await future City Council Action. After the City Council takes action for naming Unnamed Street B, then the Public Works Department will install the street name signs for this street. All other signs will be installed as listed.

All changes defined in this report occur in Ward 5.
