Background/Supporting Information

The Police Department requests permission to accept \$8,000 from the Minnesota Department of Public Safety for a Driving While Intoxicated (DWI) saturation program from October 1, 2002 through September 30, 2003. This "Operation Nightcap" saturation will be a cooperative effort with the State Patrol, University of Minnesota Police, Hennepin County Sheriff, and Minneapolis Police Department. The grant will reimburse overtime costs to selected city-wide officers for the increased enforcement targeting impaired drivers, juvenile and young adult violators, speed violations and other enforcement to reduce accidents and increase driver safety during a normally high DWI incident time period. No local grant match is required.
