Re:1008 26th Ave SE

I have inspected the property at 1008 26th Ave SE after the revocation of the rental license. I sent orders to the owner, Daniel Busse. I personally inspected the property and I have abated all outstanding orders on the inside of the property. There remains one open order for the installation of the approved parking surface (concrete, asphalt, or pavers) for at least 3 cars in the rear of the property.

Sincerely,

Dick Warwick
