Background/Supporting Information

The Police Department requests permission to proceed with an application to the U.S. Department of Justice Bureau of Justice Assistance under the federal 2003 Local Law Enforcement Block Grant (LLEBG). The grant award to the city is \$486,095, with a required local match of \$54,011, to be expended over the next two years. The required local match will be made from eligible costs in the City Attorney's Office general fund.

Funds awarded under this Block Grant will be used to provide staff support in the City Attorney's Office to respond to the increase in misdemeanor violations and citations made by the Department's Community Response Teams and CODEFOR. Funds will also be used to enhance the operational capabilities of the Police Department.

U.S. Bureau of Justice Assistance 2003 Block Grant to the City of Minneapolis

Under the 2003 Local Law Enforcement Block Grant from the Bureau of Justice Assistance, the City of Minneapolis is eligible to receive \$852,798 for projects to reduce crime and improve public safety. The block grant requires a local match of ten percent.

This funding will be shared with Hennepin County. The County will receive \$366,703 and will provide the local match on their funds.

The Minneapolis Police Department proposes the following expenditures for the \$486,095 in grant funds and \$54,011 in matching funds from the eligible City Attorney General Fund expenditures.

According to Federal Guidelines, the grant can be used in seven areas:

- 1. Law enforcement support for hiring, training and employing additional law enforcement officers and support personnel, paying overtime to presently employed officers and support personnel, and procuring equipment, technology and other materials.**
- 2. Enhancing security measures in and around schools or any other facility/location the municipality considers a special risk for incidents of crime.**
- 3. Establishing and supporting drug courts.**
- 4. Enhancing the adjudication of cases involving violent offenders including violent juvenile offenders.**
- 5. Establishing a multi-jurisdictional task force to prevent and control crime.**
- 6. Establishing crime prevention programs.**
- 7. Defraying the cost of indemnification insurance for law enforcement officers.**

The City of Minneapolis has several goals it wishes to accomplish with the Block Grant funds. They are:

**Enhance neighborhood livability in the city
Compliment the city's commitment to the Community Oriented Policing
Program
Enhance community response to crime problems
Enhance law enforcement system's ability to respond to chronic
misdemeanants who terrorize neighborhoods with consistent disorderly
behavior**

In order to be more efficient with limited resources, the City intends to include in its application initiatives that build upon existing programs that need expanded funding, new initiatives that address unfunded priority needs, and partnerships with the community and other entities for initiatives that cross jurisdictional lines.

The suggested categories for 2003 Block Grant funding of the proposed initiatives are:

- | | |
|--|------------------|
| 1. Misdemeanor Enforcement Program - City Attorney, 8th year funding | \$253,466 |
