

**2010 Annual Report - Preliminary  
Public Health Advisory Committee**

<b>Topics</b>	<b>Meeting Guests, if any</b>	<b>Actions</b>	<b>Mtg Dates</b>
<p><b>Youth Violence &amp; Chemical Use (Alcohol Focus) Subcommittee</b></p>	<p><b>Bass Zanjani</b>, <i>Youth Violence Prevention Coordinator</i></p>	<p>PHAC charged by Executive Committee for Blueprint to Prevent Youth Violence to develop recommendations. Informed by Blueprint, subcommittee determined focus to be on intersection of youth violence with alcohol specific to 10-24 yr olds. After a series of subcommittee meetings &amp; full committee meetings, involving local experts, PHAC finalized formal recommendation to Executive Committee at 10/26 meeting:</p> <p><i>To strengthen the existing youth drug and alcohol us community-wide coalition to include a dedicated focus on the intersection of alcohol use &amp; violence in 10-24 yr olds. Coalition efforts should specifically address:</i></p> <ul style="list-style-type: none"> <li>• <i>Binge drinking</i></li> <li>• <i>Access to alcohol</i></li> <li>• <i>Messaging to youth and families</i></li> </ul> <p>Within the recommendation, a list of resources to guide the work of the coalition is included, as well as the health department's efforts to map 2010 homicides w/ locations of licensed liquor establishments.</p>	<p>1/26, 7/27, 8/24, 9/28, 10/26</p>

<p><b>Youth Violence &amp; Alcohol Use: Culturally-based perspectives</b> (Hmong, African American, American Indian, &amp; Latino)</p>	<p><b>Phanat Vang</b>, <i>Asian Media Access</i>  <b>Mhonpaj Lee</b>, <i>Hennepin County Medical Center</i>  <b>Rashida Fischer</b>, <i>African American Family Services</i>  <b>Richard Wright</b>, <i>Indian Health Board</i>  <b>Mitch Roldan</b>, <i>Centro</i></p>	<p>Most guests' professional work is focused on this priority health area &amp; has been from at least the last few years to the last 20 years. Guests shared distinct culturally-based insights/perspectives, &amp; potential solutions re: this health priority, which increased understanding of the importance of culturally and linguistically appropriate programs to address these issues. (See meeting minutes for further details).</p>	<p>5/25, 6/22, 7/27, 9/28</p>
<p><b>Social Host Ordinance</b></p>		<p>PHAC endorses the intent &amp; language of the Social Host Ordinance proposed by Council Member Cam Gordon</p>	<p>1/26, 2/23</p>
<p><b>Assessment of services to prevent youth gang crime in North Minneapolis</b></p>	<p><b>Jared Erdman</b>, <i>Epidemiologist</i>  <b>David Carson</b>, <i>Gang Prevention Coordinator</i></p>	<p>This work was funded by an Office of Juvenile Justice and Delinquency Prevention grant, who's goal is to improve the coordination of services for at-risk and/or gang involved youth in N. Mpls. PHAC members responded to the draft report of new data collected from: police statistics, assessment interviews w/ key stakeholders, and youth forums w/ at-risk and/or gang involved youth. Local agencies will be able to use this data to apply for additional funds.</p>	<p>2/23</p>
<p><b>Youth Violence Survey Results- U of M Urban 4H Youth Violence Working Group</b></p>	<p><b>Kathryn Sharpe, Jodi Anderson, &amp; U of M Urban 4-H Youth Violence Working Group: Souksavath Nantharath</b>, <i>North H.S.</i>,  <b>Adriana Leal</b>, <i>Southwest H.S.</i>,  <b>Brandy Matute</b>, <i>Southwest</i></p>	<p>The U of M Urban 4-H Youth Violence Working Group presented preliminary results of a survey youth developed to determine what people think about youth violence &amp; how it affects them. PHAC members responded to the preliminary results and the youth's subsequent ideas for</p>	<p>6/22</p>

	<i>H.S., Gao Lee, Patrick Henry H.S., Frank Rypa, South H.S.</i>	action which includes: mentoring middle school youth (Anwatin) and providing extra-curricular activities focused on reducing violence.	
<b>Community Development Block Grant (CDBG) Subcommittee-Funding Priorities, Principles &amp; Process</b>	<b>Noya Woodrich, Sean Cahill, Renee Gust, John Schrom, Robin Kay Schow, and Samira Dini</b>	Subcommittee begins work to determine funding principles, priorities and process for the upcoming CDBG 2011-2013 grant process.	3/23, 6/22, 7/27
<b>Progress Report Current CDBG Grantees</b>	<b>Becky McIntosh, Director of Contract Administration</b>	Becky reviewed status report of current grantees & included some challenges faced by orgs (i.e. need to better report meeting eligibility requirements for HUD). Discussion w/ PHAC included ideas to help agencies w/ administrative support or provide other training.	5/25
<b>CDBG Year-end Report</b>	<b>Becky McIntosh, Director of Contract Administration</b>	Becky returned to provided year-end report of CDBG grantees. Two youth-serving grantees lost their grants primarily due to their inability to provide HUD's required income verification for the youth they were serving.	7/27
<b>Culturally-Based Health, Inclusive of Socioeconomic Determinants of Health: Viewing &amp; discussion of "Unnatural Causes"</b>		PHAC began its learning for work plan priority, "Culturally-Based Health, Inclusive of Socioeconomic Determinants of Health" by viewing 2 films from the Unnatural Causes Series: <i>Introduction Part I &amp; Bad Sugar</i> . The second film focused on diabetes experiences within a Native American community was chosen, primarily given its link to obesity, another work plan priority that the health department has some new capacity to address through SHIP &	3/23, 4/27, 5/27

		Communities Putting Prevention to Work (CPPW). After some discussion of other audiences PHAC could potentially help target by co-sponsoring a community forum of this film series, the group formed a subcommittee to develop recommendations.	
<b>Culturally-Based Health, Inclusive of Socioeconomic Determinants of Health Subcommittee</b>	<b>Sean Cahill, Clarence Jones, Renee Gust, John Schrom, &amp; Gretchen Musicant,</b>	The group has determined a 4-prong approach beginning with <b>food</b> : <ul style="list-style-type: none"> <li>• Work across silos &amp; look outside Minneapolis</li> <li>• Make related data accessible to community (i.e. via website)</li> <li>• Community engagement strategies (which help address lack of empowerment)</li> <li>• Policy approach (not just public policy)</li> </ul>	8/24, 9/28, 10/26
<b>Update: Statewide Health Improvement Program (SHIP)</b>	<b>Lara Tiede</b>		[11/23]
<b>Tobacco-Free Parks &amp; Recreation</b>	<b>Brittany McFadden, Program Director, Tobacco-Free Youth Association &amp; Live Smoke Free/Association for Non-Smokers MN</b>	PHAC recommends that the department support tobacco-free parks in Minneapolis	1/26, 2/23
<b>Bicycle Parking Standards &amp; Policies for City-owned Buildings</b>	<b>Robin Garwood, Council Member Cam Gordon's staff</b>	Introduction of bicycle parking standards & policies to PHAC, which may return to PHAC in the Fall for formal approval.	5/25
<b>Proposed Green &amp; Healthy Rental Licensing Standards</b>	<b>Daniel Huff, City of Minneapolis Regulatory Services</b>	PHAC approved resolution to support the energy/health recommended rental licensure changes as outlined by City of Minneapolis Regulatory Services	8/24
<b>Crisis Connection</b>	<b>David Therkelsen</b>	David presented information on this	1/26

		important resource. Their call center provides confidential crisis counseling, information, & referral 24 hours a day. Volunteer counselors w/ at least 55 hours of specialized training received over 46,000 calls in 2009 (~1,000 calls/week).	
<b>PHAC By-laws/Ordinance Subcommittee</b>	<b>Mitchell Davis Jr, John Schrom, &amp; David Therkelsen</b>	Approved significant changes made to by-laws/ordinance are that ward representatives will live and/or work in the ward they represent and PHAC members are expected to communicate regularly w/ their respective appointing authority about the committee's work.	1/26, 2/23
<b>Urban Health Professional Advisory Committee</b>	<b>David Durenberger,</b> <i>Committee Member, Hennepin County Faculty Associates</i>	David shared the committee's health literacy/cross-cultural communication plans to build upon the preliminary work involving HCMC and MN Visiting Nurse Association to establish a baseline for clear & culturally competent communication between providers & their diabetic patients. This year they will be partnering with Sustainable Resources Center to do similar work. The goal is to develop policy recommendations based upon outcomes.	3/23
