

Conditions of License

Johnny On The Spot Towing, Billy Matthew Brown
Motor Vehicle Servicing, Class B License

1. You must provide us with proof of insurance for *all* commercial vehicles. This must be provided on the Minneapolis Certificate of Insurance form that we provided you.
2. You have stated that you have only yourself as an employee. You will inform Licenses if you hire any employees and will resubmit a Workers Compensation form showing proof of insurance.
3. You agree to allow no one else to move, drive, or operate your tow truck.
4. You may not operate a towing business nor can you park commercial vehicles in any residential area. Both must be done in a legally zoned commercial area.
5. You agree not to use Minneapolis residential streets for storage of any vehicles towed by your business.
6. You agree that you will not be stopping or parking your commercial vehicle unless you are actively engaged in a legal tow.
7. If your commercial vehicle is found to be stopped or parked on private property, you give your permission to allow agents of the city to immediately tow that vehicle.
8. You will bring your tow truck to the Meter Lane to be inspected by February 28, 2002. Please call Inspector Vu Tran at 673-3909 for times and the location.
9. If your designated parking area is in the City of Minneapolis, you will comply with all Zoning Site Plan requirements.

I have read the conditions listed above. I agree with the conditions and understand that failure on my part or the part of my company or employees to adhere to these conditions may be cause for future action to suspend, revoke, or deny renewal of my license. I understand that licenses are issued by the City Council and Mayor and that signing this agreement does not guarantee the approval of a license.
