Regulations for Grocery stores in New Hampshire and Oregon						
xxxvi. " Grocery or convenience store" means any retail establishment where groceries are regularly and customarily sold for consumption off premises.						
Such establishment shall have and maintain groceries which are readily availbale to the public, the wholesell value of which shall not be less than \$3,000, exclusive of cigarettes, magazines, newspapers, wine and beverages. Such groceries shall be representative of grocery items commonly found in such stores.						
In Oregon, there are more than 80 non-exclusive liquor stores which are operated in conjunction with other businesses like hardware, drug or grocery stores.most						

non-exclusive liquor stores are located outside of metropolitan areas.				
Usually, non-exclusive stores sell less than \$750,000 of liquor a year.
