Your license will be granted subject to the following conditions.

1. Your legal hours of operation are 6 a.m. to 10 p.m. Sunday to Thursday and 6 a.m. to 11 p.m. on Friday and Saturdays. Your business must be closed and cleared of customers by the hours listed.
2. All fines and fees must be paid by the due date specified in the orders or billing. Continuing failure to pay fines and fees by the specified due date may be cause for adverse license action.
3. Any changes to the restaurant equipment and menu shall be sent through the Food Plan Review procedures in Environmental Health before the equipment is purchased.
4. For a period of one year (April 1, 2011 to April 1, 2012), a certified food manager shall be in the restaurant at any time food is present. The food manager is to ensure that all employees shall follow all Environmental Health Regulations.
5. The licensee must immediately take responsibility for operation of this establishment. It is expected that the Food Code requirements will be followed every day. If the licensee is unable or unwilling to comply with the requirements of the Food Code, the case will go to Licensing and we will move forward with license revocation.

6. The Environmental Health Division shall conduct an unscheduled inspection on a quarterly basis for a period of one year and pay a fee of \$100.00 per inspection. The licensee understands that if he fails to meet environmental health codes resulting in critical violations and/or repeat violations, adverse license action could result. Payment shall be made to the "Minneapolis Finance Department" in the form of check or money order addressed to Minneapolis Environmental Health, 250 South 4th St, Room 414, Minneapolis, MN 55415.

7. Samme Siste, as owner of Hiawatha Pizza, shall be the person in charge or shall designate a person in charge and shall ensure that a person in charge is present at the food establishment during all hours of operation. Based on the risks of food borne illness inherent to the food operation, during inspections and upon request by the regulatory authority, the person in charge shall demonstrate to the regulatory authority knowledge of food borne disease prevention. The person in charge shall ensure that:

A. employees and other persons, including delivery and maintenance persons and pesticide applicators, entering the food preparation, food storage, and ware washing areas comply with the Code;

B. employees effectively clean their hands, by routinely monitoring the employees' hand washing;

E. employees visibly observe foods as they are received to determine that they are from approved sources, delivered at the required temperatures, protected from contamination, unadulterated, and accurately presented, by routinely monitoring the employees' observations and periodically evaluating foods upon their receipt;

C. employees properly cook potentially hazardous food, being particularly careful in cooking those foods known to cause severe food borne illness and death, including eggs and comminuted meats, through daily oversight of the employees' routine monitoring of the cooking temperatures;

D. employees use proper methods to rapidly cool potentially hazardous foods that are not held hot or are not for consumption within four hours, through daily oversight of the employees' routine monitoring of food temperatures during cooling

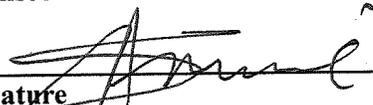

E. employees properly sanitize cleaned multiuse equipment and utensils before they are reused, through routine monitoring of solution temperature and exposure time for hot water sanitizing, and chemical concentration, pH, temperature, and exposure time for chemical sanitizing; and

F. employees implement and maintain food safety standards in the facility.

I have read the conditions listed above. I agree with the conditions and understand that failure on our part, or on the part of my company or employees to adhere to these conditions, may be cause for future adverse license action, including the suspension, revocation, or denial of the renewal of the L159 51150 HIAWATHA PIZZA & RESTAURANT license. These conditions will be effective for the duration the license operates at these premises, unless otherwise amended by the City Council of Minneapolis.

Based upon the foregoing, this agreement is freely & voluntarily entered into in good faith:
